What is your gender?

Male

Age?

29

County (or Counties) of Primary Residence?

Snohomish

Residential setting:

Suburban

Do you identify yourself as any of the following?

Environmentalist

Hunter

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf-ungulate interactions

Wolf hunting

Habitat connectivity

Information and education

Research

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

I would like to see a wolf hunting season that would allow a limited amount of tags based on the wolf population and what amount of hunting the packs can sustain. I love the idea of having wolves but also believe they should be properly managed by hunters.
