WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf management areas

Wolf interactions with other species

Habitat connectivity

Goals, objectives, strategies, and tasks

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

I do not believe euthanasia is something i can support. Control of populations through selective sterilization should be an option. Habitat reserves an option.
