

Rick Trocano

What is your gender?

Male

Age?

60

County (or Counties) of Primary Residence?

Okanagon/King.....live extensively at both locations

Residential setting:

Rural

Do you identify yourself as any of the following?

Hunter

Livestock Producer

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf classification/status

Wolf management areas

Wolf-livestock conflicts

Wolf-human interactions

Wolf hunting

Translocation

Land management

Habitat connectivity

Reporting and evaluation

Goals objectives strategies and tasks

Economic analysis

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

The wolves are spreading quickly throughout Eastern Washington and effecting economic stability to an already depressed region. These wolves are huge and soon will be in our states urban areas. Hunting them is desperately needed to help control them.
