

Gary Mankus

What is your gender?

Male

Age?

69

County (or Counties) of Primary Residence?

Kittitas

Residential setting:

Rural

Do you identify yourself as any of the following?

Environmentalist

Hunter

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf management areas

Wolf-livestock conflicts

Wolf-ungulate interactions

Wolf interactions with other species

Wolf-human interactions

Wolf hunting

Information and education

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

Wolves should not have been transplanted into Kittitas county. There were already packs here and the population was in control. Now they are over populating and taking out far too many undulated animals. The population needs to be brought down and better controlled.
