

Teri Travis

What is your gender?

Female

Age?

62

County (or Counties) of Primary Residence?

King County

Residential setting:

Urban

Do you identify yourself as any of the following?

Environmentalist

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf management areas

Wolf interactions with other species

Land management

Habitat connectivity

Research

Reporting and evaluation

Goals objectives strategies and tasks

Please list other topics here. The next page provides space for general comments on the scope of the plan.

Extremely concerned about the habitat and protections for wolves, and strongly opposed to hunting wolves. I believe ranchers/farmers whether on their own land or leased public lands are responsible for providing their own fencing and any other means of protecting livestock and property from predators WithOut harming the predator!! I'm Very angry over the recent wolf kills in Western WA. and around the country!
