

Terry Wagner

What is your gender?

Male

Age?

61

County (or Counties) of Primary Residence?

Spokane

Residential setting:

Urban

Do you identify yourself as any of the following?

Environmentalist

Hunter

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf classification/status

Wolf management areas

Wolf-livestock conflicts

Wolf-ungulate interactions

Wolf interactions with other species

Wolf-human interactions

Wolf hunting

Translocation

Habitat connectivity

Research

Reporting and evaluation

Goals objectives strategies and tasks

Costs and funding priorities

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

Totally mismanaged by the state and the feds. Should never have been allowed to happen in this state. Totally destroyed the Elk, deer and moose populations. If someone really thinks that reintroducing wolves is the right thing to do why didn't the whole state get to share the misery?

What's the States plan to recover the Elk, deer and moose populations in the state?
