Rural

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf classification/status

Wolf management areas

Wolf-livestock conflicts

Land management

Habitat connectivity

Information and education

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

Cattle producers should not be leased public lands which also have wolves. If they own the land, than when they ask for wolf pack killing, they pay the cost! These cattle make them money. Not the wolves, but the wolves have been and should be here. It is natural. The cattle are not and the public is paying for the slaughter of whole packs so a few ranchers can make more money...
