Urban

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Information and education

Research

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

We need wolves in the environment. Without top predators, the natural order of things gets all out of whack. When a pack is eliminated, or when many animals of a pack are eliminated, it creates more problems.
