

Mike Hale

What is your gender?

Male

Age?

42

County (or Counties) of Primary Residence?

Snohomish

Residential setting:

Suburban

Do you identify yourself as any of the following?

Hunter

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf management areas

Wolf-ungulate interactions

Wolf interactions with other species

Wolf-human interactions

Wolf hunting

Land management

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

We cannot allow wolves to run free unchecked in Washington State and destroy ungulate populations. If they have no predators, that is exactly what the wolves will do. If Washington isn't going to limit wolf populations, allow for hunting which will introduce a predator for the wolves and finances into wolf AND ungulate habitat.
