WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf-livestock conflicts

Wolf-ungulate interactions

Wolf interactions with other species

Wolf-human interactions

Wolf hunting

Please list other topics here. The next page provides space for general comments on the scope of the plan.

A fear of mine is that public won't allow wolves to be hunted for conservation so the state will have to hire contractors to take out areas deemed to have a large wolf population
