WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf hunting

Land management

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

Need to manage and open up a season like any other state. Levels have recovered and need to manage them.
