WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Please list other topics here. The next page provides space for general comments on the scope of the plan.

No killing of wolves

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

I do not support any killing of any wolves at all. I know about the Profanity Peak pack killing and do not support this or any other killing of wolves.
