**What is your gender?**

Prefer Not to Say

**Age?**

40

**County (or Counties) of Primary Residence?**

King County

**Residential setting:**

Urban

**Do you identify yourself as any of the following?**

Environmentalist

Outdoor Recreationist

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf conservation and monitoring

Wolf-livestock conflicts

Habitat connectivity

Information and education

Research

Reporting and evaluation

Please list other topics here. The next page provides space for general comments on the scope of the plan.

These animals deserve all of the protections possible. It's not their fault there are too many humans. There are methods in which to keep livestock and others safe and also keep the wolves safe. That's what needs to be invested in.
