Goals objectives strategies and tasks

Please list other topics here. The next page provides space for general comments on the scope of the plan.

Monitor, evaluate and apply sanctions to ranches that don't follow protocols and don't act in good faith towards equitable solutions.

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

Eliminating complete packs of wolves has been proven to not change behavior. Please use more biological science when creating policies.

Initiate policy to include sanctions or corrective penalties to those that abuse the system.
