

JD Hemmert

What is your gender?

Male

Age?

41

County (or Counties) of Primary Residence?

Snohomish

Residential setting:

Urban

Do you identify yourself as any of the following?

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf-livestock conflicts

Wolf interactions with other species

Wolf-human interactions

Wolf hunting

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

The state should have never allowed this program. Wolves are a nuisance and are not needed to have a healthy environment. The state has now spent money introducing wolves and then spent more money to eliminate them. Other states that have introduced wolves had the same problem. The state should consider having a hunting season on wolves just like Idaho.
