

Dave Chamblee

**What is your gender?**

Male

**Age?**

48

**County (or Counties) of Primary Residence?**

Cowlitz

**Residential setting:**

Suburban

**Do you identify yourself as any of the following?**

Environmentalist

Hunter

Outdoor Recreationist

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf conservation and monitoring

Wolf classification/status

Wolf management areas

Wolf-livestock conflicts

Wolf-ungulate interactions

Wolf interactions with other species

Wolf-human interactions

Wolf hunting

Translocation

Land management

Information and education

Reporting and evaluation

Goals objectives strategies and tasks

Costs and funding priorities

Economic analysis

**Do you have general comments about the scope of Washington's updated wolf conservation and management plan?**

Wolves should not be encouraged to repopulate within Washington state. The population of King County should not be allowed to dictate rules/regs for the areas of the state impacted by wolf activity. These animals are not the cuddly and harmless creatures portrayed by Disney movies or activists. They should be treated as a threat to livestock and wildlife.
