

Heather Hilf

**What is your gender?**

Female

**Age?**

50

**County (or Counties) of Primary Residence?**

thurston

**Residential setting:**

Suburban

**Do you identify yourself as any of the following?**

Environmentalist

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf conservation and monitoring

Wolf classification/status

Wolf-livestock conflicts

Wolf hunting

Land management

Habitat connectivity

Information and education

Research

Reporting and evaluation

**Do you have general comments about the scope of Washington's updated wolf conservation and management plan?**

I'm concerned that the Periodic Status Review may be used as a "loophole", a way to go around the existing Wolf Recovery Plan. Wolves should go from endangered to threatened to sensitive, and then finally, to delisted rather than directly from endangered to delisted. Very concerned that there not be hunting in WA.
