

Dobi Dobroslawa

What is your gender?

Female

Age?

35

Residential setting:

Suburban

Do you identify yourself as any of the following?

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf classification/status

Wolf management areas

Habitat connectivity

Information and education

Research

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

Trophy hunting and trapping should NOT be included in the post-recovery state management plan for wolves. There have already been too many wolf killings in the Evergreen State, and adding more into the mix should be out of the question.
