

Brian Masten

**What is your gender?**

Male

**Age?**

40

**County (or Counties) of Primary Residence?**

kitsap

**Residential setting:**

Rural

**Do you identify yourself as any of the following?**

Environmentalist

Hunter

Outdoor Recreationist

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf-ungulate interactions

Wolf-human interactions

**Do you have general comments about the scope of Washington's updated wolf conservation and management plan?**

Wolves should not be protected nor should they be supported and encouraged. Our game herds are already under too much pressure. Protect the Deer and Elk which remain. Wolf management should be controlled by the residents in immediate area not government in Olympia.
