**What is your gender?**

Female

**Age?**

75

**County (or Counties) of Primary Residence?**

Multnomah

**Residential setting:**

Urban

**Do you identify yourself as any of the following?**

Environmentalist

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf conservation and monitoring

Wolf management areas

Wolf-livestock conflicts

Habitat connectivity

Information and education

Research

**Do you have general comments about the scope of Washington's updated wolf conservation and management plan?**

I would like to see more effort directed toward preventing conflicts with livestock and less reliance on lethal control. I believe wolves are a valuable addition to the ecosystem and should be protected as much as possible. They should not be hunted.
