WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf interactions with other species

Information and education

Research

Please list other topics here. The next page provides space for general comments on the scope of the plan.

humans are the worst predators -- and livestock ranchers should expect some natural loss of product in the wild
