

Jadon Nicoara

**What is your gender?**

Female

**Age?**

20

**County (or Counties) of Primary Residence?**

Walla Walla

**Residential setting:**

Suburban

**Do you identify yourself as any of the following?**

Hunter

Outdoor Recreationist

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf-livestock conflicts

Wolf-ungulate interactions

Wolf interactions with other species

Wolf-human interactions

Wolf hunting

Costs and funding priorities

**Do you have general comments about the scope of Washington's updated wolf conservation and management plan?**

Talking with many ranchers, and other hunters there is ample evidence that the wolves are having a significant negative impact on the deer and elk populations. There needs to be a legalization of hunting for management, as well as ranchers being able to shoot wolves if they are threatening their livestock.
