

Maureen Parriott

What is your gender?

Female

Age?

76

County (or Counties) of Primary Residence?

Okanogan

Residential setting:

Rural

Do you identify yourself as any of the following?

Environmentalist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf classification/status

Wolf management areas

Wolf-livestock conflicts

Wolf-human interactions

Wolf hunting

Land management

Habitat connectivity

Information and education

Research

Reporting and evaluation

Goals objectives strategies and tasks

Costs and funding priorities

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

As I live close to the Washington/British Columbia border, I am familiar with some of Canada's successful wolf conservation policies. I respectfully suggest that you confer with your fellow wildlife managers across the line to see if they can offer useful insights and strategies.
