

Ellen Prior

**What is your gender?**

Female

**Age?**

1

**County (or Counties) of Primary Residence?**

King

**Residential setting:**

Suburban

**Do you identify yourself as any of the following?**

Environmentalist

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf conservation and monitoring

Wolf classification/status

Wolf management areas

Wolf-livestock conflicts

Wolf interactions with other species

Wolf hunting

Goals objectives strategies and tasks

**Do you have general comments about the scope of Washington's updated wolf conservation and management plan?**

Wolves were here first-Cattle Ranching is a leading problem in climate change-therefore no Wolf should be killed because of harming an animal that is not a natural habitant--No hunting should be allowed! We must do everything possible to keep our Wild life and planet alive!
