What is your gender?

Female

Age?

57

County (or Counties) of Primary Residence?

King

Residential setting:

Suburban

Do you identify yourself as any of the following?

Environmentalist

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf management areas

Land management

Habitat connectivity

Goals objectives strategies and tasks

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

We must find non-lethal methods of handling wolf management and we must reopen the topic of cattle grazing on public lands. It would be best if those lands were left wild and we did not try to profit from them and put ranchers in this situation.
