What is your gender?

Male

Age?

65

County (or Counties) of Primary Residence?

USA & Canada

Residential setting:

Rural

Do you identify yourself as any of the following?

Environmentalist

Hunter

Livestock Producer

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf-ungulate interactions

Wolf interactions with other species

Wolf-human interactions

Habitat connectivity

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

Wolf are another predator (like us) that we have to share the top of the pyramid with. Wolf like to eat cows, get over it. There are some places where it is not appropriate to raise beef, accept this fact.
