What is your gender?

Male

Age?

39

County (or Counties) of Primary Residence?

Stevens

Residential setting:

Rural

Do you identify yourself as any of the following?

Hunter

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf classification/status

Wolf-livestock conflicts

Wolf-ungulate interactions

Wolf interactions with other species

Wolf-human interactions

Wolf hunting

Land management

Habitat connectivity

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

Our wolf numbers in Stevens county need to be brought way down. This past week I spent hiking around state and inland paper land in hunters Washington. I saw more wolf sign in the fresh snow than any other animal. Our herds are declining while the predator population is exploding. They need to be managed and it needs happen now.
