WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Habitat connectivity

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

We don't own this Earth

We share it with the animals. It's time we started acting like it.
