WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf management areas

Wolf-livestock conflicts

Wolf interactions with other species

Wolf hunting

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

The state should be making money on hunters like myself by selling wolf tags to manage the wolf population. It is very obvious in the field how badly the wolves have affected elk, deer, and moose populations.
