

Grace Padelford

**What is your gender?**

Female

**Age?**

75

**County (or Counties) of Primary Residence?**

USA

**Residential setting:**

Suburban

**Do you identify yourself as any of the following?**

Environmentalist

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf conservation and monitoring

Wolf management areas

Wolf-livestock conflicts

Wolf-human interactions

Wolf hunting

Habitat connectivity

Information and education

Research

Reporting and evaluation

Economic analysis

**Do you have general comments about the scope of Washington's updated wolf conservation and management plan?**

No Cascades ranchers seem to get priority on what is public land and land that wolves call home. Cattle need not be let loose in these same areas. Controlled areas for cattle with boundaries with flavory and dogs or other deterrents do work. Do not give ranchers a free pass!
