**What is your gender?**

Male

**Age?**

33

**County (or Counties) of Primary Residence?**

Snohomish

**Residential setting:**

Suburban

**Do you identify yourself as any of the following?**

Environmentalist

Outdoor Recreationist

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf conservation and monitoring

Wolf management areas

Land management

Habitat connectivity

**Do you have general comments about the scope of Washington's updated wolf conservation and management plan?**

Anything that benefits the recovery of wolves is supported by me. I believe there should be an immediate end to killing them. A farmer who loses a cow because he doesn't want to pay for a nice fence shouldn't justify killing wolves.

I applaud much of the work done by WDFW, but much is still needed to be done.
