

Jacob Anderson

**What is your gender?**

Male

**Age?**

35

**County (or Counties) of Primary Residence?**

Spokane

**Residential setting:**

Rural

**Do you identify yourself as any of the following?**

Environmentalist

Hunter

Livestock Producer

Outdoor Recreationist

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf conservation and monitoring

Wolf classification/status

Wolf management areas

Wolf-livestock conflicts

Wolf-ungulate interactions

Habitat connectivity

Information and education

Research

Costs and funding priorities

**Do you have general comments about the scope of Washington's updated wolf conservation and management plan?**

I hope that the management plan is set up based on actual scientific data and lays out a plan that is best for the ecosystem as a whole in the long term. The management plan should not be based on public sentiment or emotions.
