

Randy Shields

What is your gender?

Male

Age?

25

County (or Counties) of Primary Residence?

Clark

Residential setting:

Urban

Do you identify yourself as any of the following?

Environmentalist

Hunter

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf management areas

Wolf interactions with other species

Wolf-human interactions

Wolf hunting

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

Put out tags and a year round season. Don't let Washington turn into its neighboring states with the wolf issue. Puts more money into the greedy state and allows hunters to do more hunting. It's a win win for both parties.
