

Luke Coots

What is your gender?

Male

Age?

27

County (or Counties) of Primary Residence?

Stevens

Residential setting:

Urban

Do you identify yourself as any of the following?

Hunter

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf-livestock conflicts

Wolf interactions with other species

Wolf hunting

Costs and funding priorities

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

Get rid of the wolves, it's costing the taxpayer money for fish and game to intervene and there numbers are growing out of control. I haven't seen the prey population this low in forever it's sickening.
