

Destiny Hanna

**What is your gender?**

Female

**Age?**

38

**County (or Counties) of Primary Residence?**

Cowlitz

**Residential setting:**

Rural

**Do you identify yourself as any of the following?**

Environmentalist

Hunter

Livestock Producer

Outdoor Recreationist

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf conservation and monitoring

Wolf management areas

Land management

Information and education

Research

Reporting and evaluation

Goals objectives strategies and tasks

Costs and funding priorities

**Do you have general comments about the scope of Washington's updated wolf conservation and management plan?**

I have an education in conservation of natural resources. I think wolves can be in Washington as long as we give all parties involved equal attention and action in researching or gathering data of how wolves are interacting with ungulates, humans, and the ecosystem. Then educating the ranchers, hunters, and general public.
