

Roxy Jennings

What is your gender?

Female

Age?

15

County (or Counties) of Primary Residence?

Pierce

Residential setting:

Suburban

Do you identify yourself as any of the following?

Environmentalist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Land management

Information and education

Research

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

My parents have taught us well that working together for a common goal takes cooperation from both sides. As our generation emerges, we don't want to see our precious wildlife killed on public land by our own state wildlife office. We need wolves on our ecosystem!!!
