

Justin Welch

What is your gender?

Male

Age?

23

County (or Counties) of Primary Residence?

Kittitas

Residential setting:

Rural

Do you identify yourself as any of the following?

Hunter

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf-livestock conflicts

Wolf-ungulate interactions

Wolf interactions with other species

Wolf-human interactions

Wolf hunting

Land management

Costs and funding priorities

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

I believe, as do many outdoors enthusiasts, ranchers, and general public, bringing wolves back to the state is extremely detrimental to the safety of those who enjoy the outdoors such as hunters and hikers, the deer and elk population, especially of the regulated, legal animals hunters are already restricted to, and livestock as wolves wander where they aren't supposed to be.
