WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf classification/status

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

Yes. Please remember that the number of wolves are outnumbered by anti- wolf period- they are easily killed by cars accidents- their numbers will not significantly affect people/ ranchers who knowingly place very expensive cows next to wolves are just being stupid- thanks for listening
