

Paul Wittig

What is your gender?

Male

Age?

70

County (or Counties) of Primary Residence?

Douglas

Residential setting:

Rural

Do you identify yourself as any of the following?

Hunter

Livestock Producer

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf classification/status

Wolf management areas

Wolf-livestock conflicts

Wolf-ungulate interactions

Wolf hunting

Land management

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

There needs to be population control, especially if they are harming livestock. Ranchers need to be able to protect their property. Elk and deer populations cannot sustain an uncontrolled wolf population.
