

Tracy Ouellette

**What is your gender?**

Female

**Age?**

1

**County (or Counties) of Primary Residence?**

Skagit

**Residential setting:**

Rural

**Do you identify yourself as any of the following?**

Environmentalist

Outdoor Recreationist

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf conservation and monitoring

Land management

Habitat connectivity

Information and education

Research

**Do you have general comments about the scope of Washington's updated wolf conservation and management plan?**

I want the department to consider the costs to all citizens of managing wolf populations strictly for the benefit of a small special interest group of ranchers. Using public land for grazing should not be subsidized by public costs in dollars or in wildlife diversity, specifically lethal wolf management practices.
