

Mary Emmons

What is your gender?

Female

Age?

56

County (or Counties) of Primary Residence?

Chelan

Residential setting:

Urban

Do you identify yourself as any of the following?

Environmentalist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf management areas

Translocation

Land management

Habitat connectivity

Information and education

Research

Reporting and evaluation

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

I think it is unfair to keep continuously using tax payer dollars to radio collar wolves only to use them as tracking devices at a later date to inevitably kill them. Herd and wolf conflicts will continue as long as public wilderness areas are leased out to farmers. Wolves don't understand the cattle are off limits out in the wild.
