

John Vann

What is your gender?

Male

Age?

67

County (or Counties) of Primary Residence?

Bento

Residential setting:

Rural

Do you identify yourself as any of the following?

Environmentalist

Hunter

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf classification/status

Wolf management areas

Wolf-human interactions

Land management

Habitat connectivity

Information and education

Reporting and evaluation

Goals objectives strategies and tasks

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

Wolf population and health within their environment should be a primary concern, except where the injury to a human is significantly probable. No hunting should be allowed, with the exception of State officers addressing individual imminent threats to human lives or safety.
