

Andrew Pond

What is your gender?

Male

Age?

31

County (or Counties) of Primary Residence?

Stevens

Residential setting:

Suburban

Do you identify yourself as any of the following?

Hunter

Outdoor Recreationist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf classification/status

Wolf-livestock conflicts

Wolf-ungulate interactions

Wolf-human interactions

Wolf hunting

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

I believe that wolves need to be delisted in at least the eastern half of Washington State and that there needs to be a hunting season to control their population. We need a system similar to Idaho. It works there, and there's no reason it won't work here other than political opposition.
