74

County (or Counties) of Primary Residence?

Whatcom

Residential setting:

Urban

Do you identify yourself as any of the following?

Environmentalist

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf-livestock conflicts

Wolf interactions with other species

Wolf-human interactions

Wolf hunting

Habitat connectivity

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

I do NOT like the 'killing' (ie., hunting) of "any" animal...including the wolf. Quite frankly, 'they' were here FIRST! 'We' moved in on THEM (!). Now we chop down trees and shoot animals like crazy because "they are in OUR way". Yet 'all' life was created for a "purpose" and by the same Creator that created 'us' (!) So we should live WITH nature and WITH the life Nature contains... 'not' remove it because 'it gets in our way'! So I 'like' the updated wolf conservation/management plan since it appears to work 'with' the wolves...and not 'against' the wolves...which I appreciate for all of the above reasons. My thanks for all your efforts in this matter (!).
