Rural

WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Wolf classification/status

Wolf hunting

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

It's completely premature to discuss post-delisting wolf management. The Department should heed the Governor's advice and focus on fixing its broken lethal protocol to effectively resolve wolf-livestock conflicts without annually killing a large portion of the state's wolf population at the behest of the commercial livestock industry.
