WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf conservation and monitoring

Please list other topics here. The next page provides space for general comments on the scope of the plan.

Compassion. This is their earth too.

Do you have general comments about the scope of Washington's updated wolf conservation and management plan?

We have taken their homes, they are hungry and this is their world too... Not just ours! You can't kill someone just because they are hungry!
