WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.

Please review this list and add other topics, or items that fit under these headings.

Please check the topics you view as most important.

Wolf classification/status

Wolf management areas

Wolf-livestock conflicts

Wolf-ungulate interactions

Wolf hunting

Habitat connectivity

Reporting and evaluation

Please list other topics here. The next page provides space for general comments on the scope of the plan.

The present failure of WDFW to manage all Predators (Bears, Wolves and Cougars) and lack of protection of Game animals as well not protecting the people (72% of the general population) that live in the country yet have allowed special interest to drive the imbalance (lack of proportion or relation between corresponding things).
