59

**County (or Counties) of Primary Residence?**

pierce county

**Residential setting:**

Other

city

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf conservation and monitoring

Wolf classification/status

Wolf management areas

Wolf hunting

Land management

Habitat connectivity

Information and education

Research

Reporting and evaluation

Goals objectives strategies and tasks

**Do you have general comments about the scope of Washington's updated wolf conservation and management plan?**

wolves are a very important part of the eco system. we are moving into their homes, cutting down their homes for humans, we need to stop, we need to learn to live with the consequences of our actions as humans
