**What is your gender?**

Male

**Age?**

26

**County (or Counties) of Primary Residence?**

Clark

**Residential setting:**

Urban

**Do you identify yourself as any of the following?**

Environmentalist

Hunter

Outdoor Recreationist

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf management areas

Wolf hunting

Land management

**Do you have general comments about the scope of Washington's updated wolf conservation and management plan?**

I really don't think there needs to be funding and money thrown at Wolves. You want elk and deer populations to rise and continue to get hunter support and funding then let the hunters hunt wolves just like bear and cougar. Wolves are self sustaining and will migrate where there is food. Put money towards whats going to keep public land and hunters active not improving a predator!
