king

**Residential setting:**

Urban

**WDFW has identified a list of impact topics to include in the Plan/EIS. Impact topics are a means of organizing the discussion of issues and analysis of impacts. Impact topics can be thought of as chapter or section headings in the Plan/EIS.**

**Please review this list and add other topics, or items that fit under these headings.**

**Please check the topics you view as most important.**

Wolf conservation and monitoring

Wolf classification/status

Habitat connectivity

Information and education

**Do you have general comments about the scope of Washington's updated wolf conservation and management plan?**

we cannot delist wolves from the endangered species list. they have not recovered, and are constantly in danger of being killed by people who cannot understand the necessity to live harmoniously with other species. we can't deplete their habitat and expect to rush to delist them. please protect our wolves.
